Next Thursday, Feb. 27, at 8:00 p.m., the Lincoln-Way Mixed Chorus under the direction of Thomas Olson and the Freshman Girls Chorus, directed by Randolph Kummer, will present a concert in the Lincoln-Way auditorium.

The Mixed Chorus is made up mostly of sophomore girls and freshman boys and the Freshman Chorus is made up entirely of freshman girls.

Among the songs will be a medley from "Olive," and a medley from "Fiddler on the Roof" by the Mixed Chorus. The Freshman Chorus will present a medley from "Mame," "The Impossible Dream," and "If I Ruled the World."

The ticket prices are \$1 for adults and 50 cents for students. They may be purchased from any member of the two choruses or at the door.

Lipman Distributes Last Of 1967 Taxes

County Treasurer, Clarence Lipman (R) distributed over \$1,182,000 to taxing bodies in all townships in Will County last week, according to Assistant Treasurer W. F. (Wally) Schuetz.

Schuetz said this was the final distribution of the 1968 collections of 1967 tax levies. The largest amount to any single tax body was the check for \$165,841.01 which went to School District No. 86. High School 204 was next with \$159,062.35. The smallest amount was distributed to the Village of Godley Road and Bridge Fund for \$1.73.

The City of Joliet led the other cities, towns and villages with a net distribution of \$86,683.26.

Schuetz said that the total distributions to the schools of Will County amounted to a little over \$848,500 which was about 71.75% of the total distribution.

In the area Lincoln-Way High School received the top amount of any of the districts -- \$46,412.58. That is Dist. 210. Dist. 122, the New Lenox grade school district, was next with \$20,811.04.

The amounts received by the other school districts:

Dist. 159 (Mokena), \$10,300.15; Dist. 157-C (Frankfort), \$9,799.91; Dist. 161 (now Arbury Hills), \$4,894.60 and Dist. 56-C, (Ann Rutledge), \$2,460.60.

Frankfort Township collected \$1,278.42 for its general fund and \$3,747.48 for

Discuss Plans For L-W Addition With PTG

A special meeting of the Parent Teachers Group of Lincoln-Way High School is set for 8 o'clock next Wednesday night (Feb. 26) at the school to hear a discussion of the proposed addition to the school.

The meeting is not limited to PTG members, it was pointed out by Supt. A. Hunter Chapman. It is open to the public and any persons interested are urged to attend.

The enrollment at Lincoln-Way has been increasing steadily and by 1971 it is expected all class space to be filled beyond capacity.

At a recent meeting of the board of education it was decided to meet this need thru the building of an addition to the present school plant, specifically for the use of ninth grade students.

The board decided that it would cost far less to build an addition to the present school than to build an entire new one on the site at Frankfort. If a new school were built it would be necessary to employ an entire new teaching staff and add all of the departments that the present school offers, such as agriculture, industrial arts, home economics, music, business, athletic fields, transportation, sewer and water facilities to list the major ones.

By building an addition to the present plant all this duplication can be avoided it was pointed out.

The board has set March 1 as the date for a referendum on a \$1,200,000 bond issue. If the bonds are approved the architects then

proceed with the plans.

It is estimated that it would be Sept. 1 before work could be started. Whether the work could be completed in time for the 1970-71 school year is a question. School officials are afraid that the job will not be done by that time and if it isn't then emergency and temporary measures would have to be adopted. It is possible the school day would have to be extended, say from 7 a.m. to 4:30 p.m.

The proposed addition is designed for 600 pupils and it is anticipated that it would be filled by freshmen entering in September, 1971.

More teachers will be needed next year too, it was said, and with the costs of supplies and materials necessary to operate the school increasing the board is asking the voters to also approve a 21-cent increase in the Educational Fund tax rate.

Aid On Sewers

Approval of sewer plans for Lincoln-Way High School has been given by the North-eastern Illinois Planning commission and sent to the federal department of health, education and welfare.

If approved by the federal agency Lincoln-Way would be in line for a \$15,592 grant. The cost of the project was given as \$51,975.

Matthew L. Rockwell, executive director of NIPC, described the application of the school as a unique request.

"We just don't get a school able to function as a proper body in asking for requests from us or other agencies," Rockwell said. "I think this is the first school ever to ask for a grant."

The original sewer treatment plant was planned for an enrollment of 1,200 students. There are now 2,000 in the school and it was necessary to expand the treatment facilities to include an activated sludge tank, remodeling of a filter, and the building of a polishing pond.

It is possible that at sometime interceptor sewers would be extended to the school site from one of the municipalities in the district, New Lenox, Mokena, or Frankfort, depending upon which direction they may grow, it was pointed out, but such a possibility was not an answer to the present problem. The school has to treat its sewerage properly and it is doing it.

It was the idea of the school superintendent, A. Hunter Chapman, to make application for federal aid on the sewer project and he and Frank Goetschel, the building superintendent collected all the facts necessary and filled out the forms.

Announce Pairings For Cage Regional

Tournament time for the prep basketball teams of Illinois is drawing near again.

The regional in which Lincoln-Way will play is to be held March 3-7 in Lockport West gymnasium and 300 tickets will go on sale at Lincoln-Way next Monday.

The Knights will meet Joliet Catholic High in the first game March 4, which is scheduled to start at 7 o'clock. Lockport West and Joliet West play in the second game that night, beginning at 8:30.

The Regional opens at 7 p.m. March 3 when Lockport

Central faces Providence. The second game for the opening night will be between Joliet East and Joliet Central.

The winners of those two games will play at 7:30 the night of March 5.

Lincoln-Way or Joliet Catholic will play Joliet West or Lockport West at 7:30 March 6, and the championship game will be played at 7:30 March 7.

The winner of the Lockport West regional will play in the sectional at Thornton High School in Harvey.

Lincoln Estates

Mrs. Emil Wille
Telephone 469-5277

A call for helpers has been sounded by Howard Bluth to push a program for the purchase of equipment for the Ann Rutledge School gymnasium.

The Lincoln Estates Athletic Boosters club is the agency for the project.

Bluth spoke of the need for gym equipment at the recent meeting of the PTA and asked for volunteers to help raise the money for the undertaking.

The PTA had an open house at the school, which gave parents opportunity to visit the classrooms of their children.

Past president of the PTA were honored as this was also the observance of Founders Day. Past presidents present, each of whom was presented with a carnation, were Mrs. Robert Wheeler, Mrs. George Kaehler, Ferne Griggs, Mrs. Charles Jones, Cal Heath Jr., Mrs. Cal Heath Jr., and Mrs. Clinton Edmondson.

The Webelos den of Pack 237 Cub Scouts presented the Colors at the opening of the meeting. A report was made on the district workshop held at the court house in Joliet, dealing with trouble children.

Charlotte Lawrence Succumbs

Mrs. Charlotte M. Lawrence, 74, of 108 Robert St., New Lenox, died, Thursday, Feb. 13 at St. James Hospital, Chicago Heights, following a long illness.

She was born in Wilton Center. For many years her husband George Lawrence farmed in the Peotone area. Twelve years ago Mrs. Lawrence moved to New Len-

ox to make her home. She was a member of the New Lenox Methodist Church.

Besides her husband and her parents, she is preceded in death by a sister, Ruth Lee and two brothers, William and Fred Oliver.

She is survived by a son, Oliver of Peotone, two grand-children, four sisters, Miss Agnes Oliver of New Lenox, Mrs. Mae Loucks and

Mrs. Edith Ingraham of Manhattan and Mrs. Pearl Corrigan of Petersburg, Virg.

Funeral services were held Saturday, Feb. 15 at 2 o'clock at the Baskerville Chapel, New Lenox. The Rev. Herbert George officiated. Burial was in Wilton Center Cemetery.

Preps For Concert

Mokena Grade School Band, under the direction of Perry Friedman, will enter the Illinois Grade School Music Association contests for the eleventh consecutive year. Thirty-three events will be entered: 21 solos and 12 ensembles will participate in the contest at New Lenox, March 1.

The band, made up of 53 of the best students in the instrumental program, from grades four thru eight, will perform in the contest for bands at Riverdale, Ill.,

March 22.

The children are hard at work. The program has been accelerated and extended to prepare for contests. Rehearsals are from 3 to 4 o'clock Mondays, Tuesdays and Thursdays and 3 to 3:30, Wednesdays and Fridays.

The Band Boosters have purchased eleven uniforms to outfit the fourth and fifth graders entering contest band. The band will perform for the Band Boosters evening meeting in March. The public will be invited.

Will Fill Two Places On N.L. School Board

Petitions for nomination for the New Lenox board of education election to be held April 12, 1969 are available at the district office in Oakview School, 809 N. Cedar Rd.

The three year terms of Ralph Staples and Ruth Stoneberger expire. Ruth Stoneberger has acquired a petition and will seek reelection to a second term. Ralph Staples is undecided at this time regarding seeking election to a second term.

Persons wishing to be candidates for election to the

board of education must be citizens of the United States, 21 years old or over, and legal voters in the New Lenox School District. They must also file a petition signed by at least 50 legal voters of the school district. Persons interested in running for the board should also be of good moral character and have a sound and sincere interest in providing the best possible educational opportunities as are financially feasible for the boys and girls of the New Lenox School District, it was pointed out.

Krusemark To Meet With Opponents Of Apartments

An amicable disposition of the apartment site question could be the outcome of an informal discussion scheduled for next Thursday night among the persons opposed to the multiple housing plans of Albert H. Krusemark, and Mr. Krusemark.

The meeting is scheduled for 8 o'clock and the village hall has been borrowed for the occasion.

Following lengthy talk on where and where not apartment buildings should be located that took up most of the meeting of the Frankfort village board Monday night, Krusemark suggested an informal discussion of the subject next week between himself and the objectors.

"I know all of you and you know me," Krusemark spoke to those present at the village board meeting in protest against the building of apartments on the north side of Nebraska St., south of the railroad tracks and a commercial area, and between Linden Dr. and the east limits of the village. Farm land lies to the east but single families homes are to the south. Krusemark had owned the land most of these homes are built on and still has lots in the area.

"I am sorry if some of you did not get to the hearing before the zoning board recently. I would have welcomed all of you. This project in which I am interested will not harm your property. I am sure, and I don't want to harm mine. I can show you pictures, or I could take you to places where apartment buildings of the type I plan are adjacent to areas where the homes run \$50,000 and \$70,000.

"We have planned this very carefully and I be-

lieve it will be a credit and an asset to the community. I think that if we could sit down and go over this it would be a help. I would like to go over the whole proposition with you because some were not at the zoning hearing. I will show you the plans, and I will show you pictures of such apartments that have been built in other communities. I would appreciate very much an opportunity to talk with you."

It was decided then that the discussion would be held next Thursday night. The village board granted permission for the group to use the village hall for a meeting place.

There was a meeting of the village board, the zoning board of appeals and the planning commission last week and while the apartment question was discussed no decisions were made as to where multiple dwellings should be located.

In 1965 the planning commission considered six possible sites for apartments, one of them being the property Krusemark has included in his plans. These sites had one thing in common, the apartment sites would be

between industrial or commercial property and single family residences. This had been recommended to the commission.

Rolf Campbell, of Tec Search, city planners retained by the village board, was to have appeared at this week's board meeting but was unable to do so. Village officials want his recommendation as to apartment sites.

On March 3 the village board is expected to reach a decision on the Krusemark case. The zoning board, following a hearing at which no objections were raised, approved the re-classification of the property which was divided into business and commercial, light industry, and single family to R-3 -- multiple dwelling.

It is now up to the village board to accept or reject the zoning board's recommendation.

At a meeting of the zoning board Monday night a change was approved in the zoning code to increase lot sizes to 90-ft frontage. Elimination of upgrading of classification was included in an ordinance also adopted. Henry Mossell is chairman of the zoning board.

Lincoln-Way Quintet Splits Weekend Bill

Lincoln - Way's varsity basketball team, which plays Sandburg at Sandburg tomorrow night, split a pair of conference battles last weekend.

The Knights lost to Coach Dick Dystrup's Mustangs at Evergreen Park 61-59 on Friday night but came Saturday night to beat Bremen 76-72. Conversely Ever-

green Park lost to Rich East Saturday, 70-64 and blowing a 16 point lead in the process.

Coach Tom Lewis' Knights trailed 25 to 16 at the half against Evergreen Park but came back in the third quarter to lead 42-40 at the close of that stanza.

In the game against Bremen Lincoln-Way led 42 to 36 at the half and held on to make the final count 76-72.

Cut Your Own Taxes

Income Tax Choices Baffling

Editor's note: It is time to think about the income tax again. This is the second in a series reviewing the regulations, with emphasis on taking advantage of all exclusions and deductions legally due you.

By Ray De Crane

You must file a 1968 income tax return if you are under 65 and had at least \$600 in gross taxable income last year.

If you were 65 or older by Jan. 1, 1969, you must file a return if gross taxable income for last year was \$1,200 or more.

Three types of returns are available. The use of one is restricted by income limitations. The choice of either of the other two is dictated by your election to itemize your deductions, or to settle for an alternative method.

The three types are:
* 1040-A, the "quickie" punched-card type form which may be used if income was less than \$10,000 and consisted solely of wages shown on W-2 slips with a total of not more than \$200 in income from other wages,

dividends and interest. You cannot use this form if you had any capital gains or losses, rental, royalty, pension income, or self-employment income.

If you use this form you get no opportunity to itemize your deductions and you lose certain benefits available only on a Form 1040, such as business expenses, sick pay and moving expenses, or a retirement income credit.

The form is ideal, however, for students whose total income for 1968 was less than \$900; unmarried persons with a minimum of allowable deductions; young married couples who are not homeowners and who have no extraordinary medical, contributions or educational deductions; anyone (including a couple filing a joint return) whose total income is less than \$10,000 and whose itemized deductions would not exceed 10 per cent of their income.

If your total income is less than \$5,000 and you use this form you may either determine the tax yourself by using the automatic tax tables

or you may have IRS do it for you. If total income is \$5,000 or more, you must compute the tax yourself.

* Form 1040 with itemized deductions. This presents the greater opportunity for tax saving and will be the type upon which this series and the "Cut Your Own Taxes" book for 1969 concentrates its greatest attention.

* Form 1040 with these two options:

1. Instead of itemizing deductions claim instead 10 per cent total adjusted gross

income, or \$1,000, whichever is lesser.

2. Instead of itemizing deductions take the minimum standard deduction which permits a deduction amounting to \$100 for each exemption claimed on the return plus an additional \$200. (The final addition is only \$100 for married persons filing separate returns.)

The maximum permitted under either alternative for married persons filing separately is \$500.

NEXT: Joint or separate returns.

If You Can't See 'Em You Can't Dodge 'Em

To avoid traffic hazards you have to see them, advises the Chicago Motor Club -AAA, and the only way to see them is to have the windows of your car clean -- all around.

This also is helpful to drivers behind you who may be able to drive more intelligently if they can see traffic ahead through your windows. This gives them more time to adjust to a sudden turn or stop situation, for example.

For cars with windshield washers, there is no excuse for a dirty windshield. There are plenty of good additives available for use both as a cleaning agent and an anti-freeze. Use them.

But don't make the mistake of putting too much water and not enough anti-freeze in the windshield washer reservoir. A mixture of half water and half windshield washer anti-freeze may be used safely down to 20 degrees below zero, according to the motor club.

Church services --- Green Garden United Methodist, the Rev. Thomas Hardwick, pastor; Church School, 9:30; worship service, 10:15.

St. John's Church, North Peotone, the Rev. Franklin Schaffer, pastor; Sunday School, 9:30; worship, 10:30.

The Green Garden Farmers Mutual Fire Insurance Co., whose home office is on the Monee-Manhattan Rd. will hold its annual meeting next Thursday, Feb. 26, at 1:30 p.m. The meeting will be held at the office.

Never test your washers while driving if there is a possibility that the solution is too weak. It may freeze immediately and create a blinding glaze on the windshield.

The Chicago Motor Club points out that "peephole" driving -- driving with only a small part of the windshield cleared -- is an unsafe practice and an illegal one in Illinois and Indiana.

Before taking your car into traffic, says the club, wipe snow and dirt off headlights, taillights, turn signals and all windows. And make sure your windshield wipers are in top shape.

Continued exposure to weather hardens wipers and prevents them from cleaning effectively. Check your wiper blades periodically to be sure they are sharp, resilient and have the proper tension to keep in contact with the windshield. Any good service station should be able to check the tension with a pressure scale.

Mokena Plans For Hobby Show

Telephone 479-9321

At a recent meeting of the Mokena Woman's Club, Fine Arts Chairman Mrs. George Sangmeister announced that the art contest for the 7th and 8th grade boys and girls of the Mokena Schools was progressing very nicely. These students have been working under the direction of Mr. Russell Benjamin, their instructor. The display of art work will be at the Mokena Community Library for the next week in order that everyone may enjoy the work of the youth of our community.

A report was also given by ways and means chairman, Mrs. Walter Kamauskas, stating that progress on the forthcoming Hobby Show was excellent. Incorporated along with this Hobby Show will be a luncheon and bake sale. The time designated for this project was Saturday, March 29, from 10 a.m. to 3 p.m. at the Willowcrest School gym. Miss Alice Lauffer, a former member of the community and prominent artist, will show some of her work at this show.

Along with a very informative demonstration on ceramics, guest speaker for the evening Mrs. Joseph Pickering of Manhattan enlightened club members on the history of pottery.

At the Fireman's Auxiliary meeting there was 13 present, and one new guest, Jeanette Elwell.

The new committee chairmen were appointed as follows: Phyllis Koerner, activity chairman; Dorothy Guendling, cards and flowers; Sandy Dipper, new membership; Phyllis Rust, money-making; Shirley Williams, publicity; Harriet Newton, kitchen; Cordie Boehman, parades; Willa Bormet, dance; and Kay Shiner, salad luncheon. Good luck on your new jobs.

The ladies nite out with their husbands to play volleyball has been postponed until March, all are looking forward to it. The Ladies Auxiliary has again decided to sponsor volleyball on Monday nite, we hope to see everyone who enjoys playing volleyball. If any of the other auxiliary ladies would like to play against our auxiliary ladies please contact Shirley Williams 479-5641 and we will arrange to play some Monday evening 7-9 p.m. Cordie Boehman and Carole Craigmile are the new committee and rules will be posted at the gym.

Our traveling basket is still traveling. Hostesses for the meeting were Dorothy Guendling and Willa Bormet.

At St. John's U n i t e d

Church of Christ, Mokena and Second Streets, Lent, a season of self-discipline, will be opened with a Holy Communion Service, Ash Wednesday, (today) 7:45 p.m. with the Rev. Laslo L. Hunyady officiating.

The Adult Choir with Gerald B. Murphy acting director, and Mrs. Robert Lindberg at the organ, will sing "God So Loved the World" by Stainer.

The United Church of Christ follows the tradition of "open Communion." This means that all who have once publicly accepted Christ as their Savior and Lord and who are of a repentant mind are most welcome to the Table of the Lord.

The Mokena Chamber of Commerce will hold its regular meeting Thursday, Feb. 27 at 8 p.m. in the all purpose room at Willowcrest Grade School.

The public is invited to attend this meeting. A panel discussion will be held with the candidates who have filed for village posts. Each candidate will be given an opportunity to present his platform.

Come and get acquainted with your future village officers. Refreshments will be served.

Baseball Loop Elects Officers For Season

MRS. EDWARD HOVI
Telephone 479-5740

The Arbury Hills Baseball League has elected officers for the coming year. Jack Kennard is president; Jordan Marzano, vice president; Barbara Lindeman, secretary and James Rose, treasurer. The players agent is Bob Lindeman. No directors were elected at this time.

It was decided that, since attendance at the monthly meetings has been much less than tremendous, the meetings will be held as needed; and there will be notification of any up-coming meetings.

The date of the annual fund raising dance has been set for Saturday evening, April 12 at the VFW Hall in Mokena. Further information will be forthcoming.

Registration for the coming baseball season will be held at the school on Saturday, March 8. The hours will be from 9:00 a.m. until 1:00 p.m. Registration will be held on this day only.

In order to be eligible for registration you must be: (1) a resident of the Summit Hill School District; (2) have reached the age of 8 years by Aug. 1, 1969 and not have reached the age of fifteen by August 1, 1969; (3) register on March 8; and (4) pay a registration fee of \$4 per boy to defray the cost of insurance and equipment costs.

The registration fee may be paid at the time of registration, or may be paid no later than the following

p.m. at the Willowcrest School Gym. The committee would appreciate a god turn out.

For entertainment there will be a magician, Mr. Pat Doolin of Lockport, Illinois Youth Chorale and a skit by Cub Scouts of Den 1.

A pot luck dinner will be served. This is always enjoyed by all.

The Heart Fund drive collected by the teen-age citizens in and around the community of Mokena last Sunday afternoon, Feb. 16 totaled \$401.27.

Captains of the neighborhood areas, who asked friends to help were: Deb and Bill Roach, Mike Connell, Janet and Tim Homering, Pat Nelson, Cathy Waring, Gary Sondergaard, Pat Ryan, Gregg Julian, Kathy, Marilyn and Karen Ortegall, Pam Fant, Gordon Holleman and Ron Olson.

The contributions are turned over to the Heart Association which is an independent rather than a united fund to help research, the prevention and control of conditions causing heart attacks, strokes and successful heart transplants.

tion has been made, a vote will be asked of the people to approve this addition. As things now stand there will be no more available classrooms for a needed second eighth grade next fall. Assuming no increase in enrollment, the eighth grade will approach sixty students, a goodly herd, especially for one room.

The anticipated cost per homeowner for the bond issue proposed would be in the neighborhood of 8.5c per \$100 of assessed valuation. This would be \$8.50 for a home assessed at \$10,000 per year. Think it over and express your opinion with a little X in the appropriate box on the ballot. The main idea is to vote, no matter what way you feel on the subject.

Emphysema Now No. 2 Killer

Copyright 1969 World Book Science Service

Emphysema is now second only to heart disease as an adult crippler and its prevalence is increasing rapidly. Reported deaths have doubled every five years since 1945.

Though the actual cause of the disease is not understood, there is a clear association with cigaret smoking. (Only one patient in thousands studied here and abroad had never smoked!)

Other causative factors may be air pollution, genetic

Medical MEMO

anomalies, respiratory infections or socio-economic conditions.

As with bronchitis, emphysemics have difficulty breathing -- a result of something obstructing the proper flow of air through the bron-

chial tubes.

In Great Britain, chronic bronchitis seemed to be more prevalent, while in America emphysema dominated until doctors in the two countries discovered they had been calling the same symptoms

by two different names.

Most now call it the emphysema - bronchitis syndrome.

Recent investigators suggest that the diagnosis "emphysema" be limited solely to patients showing specific changes in lung tissue. The walls of the tiny airsacs break down, preventing normal expansion and contraction.

Too much air becomes trapped and the lungs become increasingly distended. The name "emphysema" comes from the Greek word meaning inflation.

Bronchitis, on the other hand, is an inflammation of the lung tissue usually causing mucus to form and to congest the air passages.

While smoking is regarded as the greatest culprit, air pollution also plays a major role. Both bronchitis and emphysemics show greater distress in smoky, foggy, smoggy atmospheres.

BRACES -- Articulated braces have replaced casts for leg fractures at the University of Miami, where Dr. Augusto Sarmiento has been developing the idea. He foresees the use of plastic braces soon.

BLOOD EXCHANGE -- Dr. S.C.W. Bosman of Cape-town, South Africa reports the first successful cross-circulation between a living baboon and a woman in coma from hepatitis. The animal's

blood supplied the necessary oxygen to the woman's organs, while its liver and kidneys cleansed her blood of toxins.

STERILE CURTAIN -- At St. Francis Hospital in Hartford, Conn., a jet-stream of purified air forms a curtain around each patient's bed, rejecting outside contamination.

VACCINE -- The National Institute of Health announces that when the second wave of Hong Kong flu strikes in late January or early February, there will be sufficient vaccine available, thanks to the crash program many drug manufacturers undertook.

Asthma Pays One Dividend

Copyright 1969 World Book Science Service

Nobody gives much thought to the advantages of asthma -- least of all those who suffer from it.

Breathing can be very difficult for asthmatics and they often respond to changes in temperature in a very acute fashion.

Some recent research indicates that they can hear much higher frequency sounds than unaffected people. And this could be an advantage!

The high frequency sound limit that a person can detect decreases as he grows older. This is true of asthmatics, too.

But, whereas normal kids can hear sounds up to about 20,000 cycles per second, children with asthma can hear sounds up to 25,000 or even 30,000 cycles per second!

Some of the children in the study actually heard one and a half times higher frequencies than normal children.

When 60-year-olds were compared, ordinary people could hear only 10,000 cycles, while those with asthma heard about 14,000 cycles per second.

The scientists who did this research think that these differences are related to the evolutionary connection between man's respiratory tract and his hearing apparatus.

ratus.

The tendency toward a highly sensitive respiratory system that shows up as asthma might produce an exceptionally sensitive auditory system as well.

So, if you've got asthma, console yourself with this thought: Even though you may wheeze through a concert, you're still getting more out of it than your non-asthmatic friends!

Try out your sensitivity to word sounds. How many words can you think of that rhyme with *hear*? Can you write one on each ear?

ANSWERS: Here are some words you could have come up with: beer, bier, dear, deer, fear, gear, here, jeer, leer, mere, near, peer, pier, queer, rear, shear, sheer, tear, veer year, ear.

announced he has turned over to the county a total of \$58,-833.90 in excess earnings for the period June 1 thru Nov. 30, 1968.

George said this is indicated in his semi-annual report filed with the recorder of deeds committee of the Will County Board of Supervisors.

"The recorder's office is a fee office," George explained. "We pay our own way, and the excess monies earned are turned over to the county."

He said the money comes from two sources. One is the general account, which consists of fees charged for recording documents. The second is from the sale of revenue stamps.

The amount turned over from the general fund was \$30,456.90, while the amount from the sale of revenue stamps was \$28,377.

George said his office has turned over approximately \$160,000 in excess earnings to the county since he has been in office.

Members of the recorder of deeds committee of the county board are George Nordstrom (R - Lockport), chairman, Norbert Strong (R-Lockport) and Bernard Bannon (D-Joliet).

With Easter not too far away the Orland Park Junior Woman's Club is putting special emphasis on the hat question these days. At the club's meeting next Wednesday night (Feb. 26) at the Fire Hall, the speaker will be Mrs. Donna Kavanaugh from the Blue Island Millinery Supplies.

Why not join the juniors, a spokesman said, and explore the wonderful world of originally designed hats. Mrs. Kavanaugh will demonstrate a wealth of shortcuts and ideas that will make hat

designing interesting and enjoyable for even the novice.

Marine Major Karl S. Smith, son of S.V. Smith, 14600 108th Av., is serving with Headquarters and Headquarters Squadron One, 1st Marine Aircraft Wing in Vietnam.

The squadron provides administrative and logistical support to the wing headquarters staff and is also responsible for the security of the wing command post.

His unit also is engaged in a civic action program designed to assist the Vietnamese people in completing self-help projects, such as the building of walls, culverts, small bridges and schools. Equipment and material are made available thru the Marine Corps Reserve Civic Action Fund.

The Orland Eager Beavers 4-H club had its February meeting in the home of Gayle and Ann Boozer in Laguna Woods. Ann Boozer demonstrated the different types of English bits and bridles and the uses of each. Gayle gave a demonstration of the different embroidery stitches she used in her 4-H project last year.

The 19 members present discussed the share-the-fun coming up in April and believe they have an idea, which they will keep secret for the time being. The next meeting will be at Claudia Kelsy's home in Orland.

The clean machine.

Your modern electric heating system hates dirt.

Maybe electric heat'll never replace the cleaning lady. But it can give her a lot less to do.

Because, unlike flame-systems, modern electric heat doesn't use up air. So it doesn't cause a draft that constantly draws in dirty air from outside.

Which means things stay cleaner. With modern electric heat—dust and grime just don't build up on windowsills, walls, and furniture.

The cost? About \$200 a year for an average 6-room house with proper insulation. And, believe us, it's worth it.

You'll miss the money a lot less than the dirt.

School Transportation Is A Complex Business

The transportation system of the New Lenox School District 122 is an extensive and complex project.

The Board of Education has contracted with the Pfeifer Bus Co. for ten 60 passenger busses to serve the transportation needs of all pupils living 1 1/2 miles or more from the school assigned and other pupils as designated by the school administration.

In addition to the ten busses under contractual agreement, the school district owns four 66-passenger busses that transport principally, Kindergarten and pupils grades 1 - 8 living less than 1 1/2 miles from the school assigned.

The 14 busses involved transport 1,300 pupils daily over 20 routes covering 375 miles to and from the eight schools including the St. Jude School to which 160 pupils are provided transportation services every school day.

Bus fees for both public and parochial students living less than 1 1/2 miles from the school assigned are \$6 per

month for one pupil or \$9 per month for two or more pupils in grades 1 - 8. All kindergarten pupils are provided transportation to and from the Reiter and Marley Schools at a fee of \$6 per month per pupil.

The New Lenox School District is a common school district organized under a common school charter and is not legally required to provide any transportation services for pupils. However, the board of education has considered the many problems of parents involved in transporting pupils and has set up a system (even though not required) to provide

free transportation for all pupils living 1 1/2 miles from the school assigned. In addition to this the board has set up a system of transportation on a fee basis for all pupils less than 1 1/2 miles from the school assigned. The State of Illinois partially reimburses the school district for transportation services provided pupils living 1 1/2 miles or more from the school assigned.

There are times, especially during inclement weather, when the transportation services are not as efficient as the board would like. However, the board seeks the patience and understanding

of all patrons during the inclement weather, and will try to do everything possible to improve the services for boys and girls wherever possible.

It is the firm belief of the administration of the school district that the transportation system is one of the most complex systems in Will County since approximately 1,400 pupils are transported to and from seven

public schools of the school district and the St. Jude's parochial school which are spread over an acre of approximately 32 square miles.

The Board of Education will accept constructive eval-

uation of the system of transportation and stands ready to try to improve the system within any and all realms of logic regarding the school district's responsibility.

Open Letter from the HIRSCHS'

Dear friends,

For a deceased U.S. war veteran, the U.S. government will provide:

An American flag to drape the casket and a grave marker.

Payment of \$250 toward funeral expenses.

Transportation costs between Veterans Administration hospital and burial site.

In some cases, pensions to the widow and minor children.

We will gladly assist you to contact the proper Veterans Administration authorities.

Respectfully,

Carl Hirsch

Tinley Garden

ANITRA GUNN

Tinley Gardens Bunco club will be held at the home of Mrs. Vern Hubbard of Lenore Lane. Her co-hostess will be Mrs. Becky Peyton. This meeting will be held the fourth Wednesday of the month, Feb. 26. The club is in need of permanent and sub players. For further information please contact Mrs. Judy Terry of 183rd Street at 532-1922.

-0-

Ten area couples attended the Valentine supper that was held at the Arch inn for Tinley Gardens Homeowners. A wonderful time was had by everyone.

Steve Hubbard of Lenore Lane will be delivering the Mokena News Bulletin in the Tinley Gardens area. If any resident of this area would like to receive this weekly paper please contact him.

-0-

Michael Shuman of 183rd Street celebrated his 3rd birthday on Valentines Day. He received many nice gifts and cards.

-0-

The Ross Horton Family of Ethyl Lane spent the weekend at Mount Vernon. They attended a wedding.

-0-

The board meeting for the Tinley Gardens Homeowners Association was held at the home of Mrs. Arlene Vanderveen of Pleasant Ave. Mrs. Vanderveen is the secretary.

-0-

1969 dues are still being collected by Ernie Shuman. If Ernie has somehow been unable to see you please contact him at his home. It is a hard job getting out to see every family.

-0-

Bobby Gunn is grateful to the Homeowners for sending a get well card to him during his short stay at Silver Cross Hospital. He returned to work last Monday after a nine month absence due to an automobile accident.

-0-

Every week I close my column by asking for news information to be called in to Sharon Horton, but so far results have been poor. It is impossible to write about the neighborhood if we don't know what is happening. Clubs, banquets, parties, weddings, anniversaries, birthdays, illnesses, house guests, this is all news that we like to hear. Please call, 532-8665.

-0-

Mr. and Mrs. Bobby Gunn of Pleasant Ave. celebrated their sixth anniversary Feb. 9.

-0-

Mrs. Vern Hubbard held a clothing demonstration last Tuesday evening. Many, many beautiful fashions were shown to all. If you are interested in holding a home party please contact her.

Elect Loren Sass To Farm Bureau Board

John Weber, Beecher, and Loren Sass, Homer Township, are the two new directors named to the County Farm Bureau board at the annual meeting. Weber replaces Martin Koelling of Crete who has served the maximum of six years and Sass replaced Russel Lauffer, of Mokena, who chose not to seek re-election.

The annual meeting, the 55th of the Farm Bureau was conducted by Robert Eaton of Elwood who has been president for three years. One of the highlights of the meeting was Eaton's annual report in which he

reviewed some of the goals accomplished during the year and recognized achievements of some of the leaders and committees.

Sharing the morning program was Eugene Malone, executive secretary who

spoke of the so-called grape boycott through which unions have sought to force organization of farm workers in California. "Failing in this after three years the unions tried to persuade farmers to sign agreements to force their workers into the union,"

Malone said. "Farmers don't like such tactics and would have no part of this" Malone said. The next step, was a propaganda campaign and harassment of grocery and super-market chains in the population centers according to Malone's report.

Malone emphasized three important facts regarding the grape boycott.

1. There is no dispute between farmers and laborers.
2. Workers are not migrants, 90% are permanent residents where they work and many own their own

homes.

3. Workers do not want to join the union. After 3 years only 2% have done so.

If a boycott can disrupt the marketing of grapes today it can affect turkeys next Thanksgiving or Illinois products just as well.

Washington's birthday sale

February 20, 21, 22

What better time to offer you fresh spring merchandise at special savings. General Washington knew the value of a dollar. (We suspect he swam the Rappahannock and retrieved the one he threw across.) He would have approved of the values at the big Washington's Birthday Sale at Park Forest Plaza. We think you'll like the many money-saving values, too. And this isn't worn out merchandise from winter—it's fresh, new merchandise for spring priced to save you money. Come to Park Forest Plaza Thursday, Friday and Saturday. Happy Birthday to Washington. Happy savings to you.

AT ALLIED, STEREO ISN'T SOMETHING WE THROW IN TO FILL OUT THE 4TH FLOOR

Most big stores are big on sofas and chairs, but small on stereo.

Speak to the salespeople about speakers, tuners, and amplifiers and you may find them baffled by it all.

It's a different scene at Allied. We love to talk about stereo. And we know what we're talking about.

We're electronics people.

We're experts who are expert at helping you choose the best stereo equipment to fit your needs and your budget.

When you need a sofa, talk to the sofa people. When you need a stereo, talk to Allied.

Soft bargain.

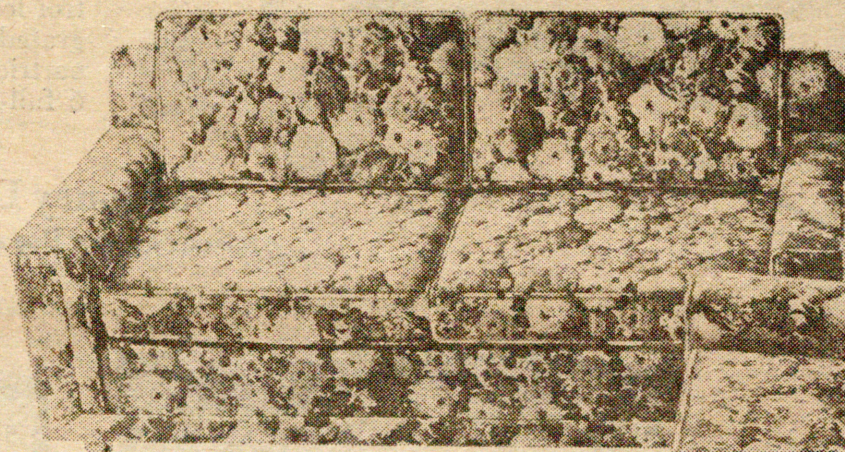

Run your fingers over this. Deep, luxurious hand-guided outline quilting looks rich, feels rich, but doesn't increase the price of the sofa one penny. It just increases the value.

Save your back. Roll-worthy Shepherd casters like this make this splendid upholstered furniture a cinch to move and a joy to decorate with, even on wall-to-wall carpet.

A h h h h. Six nice plump pillows to sink back in. And they're all loose, seat and back.

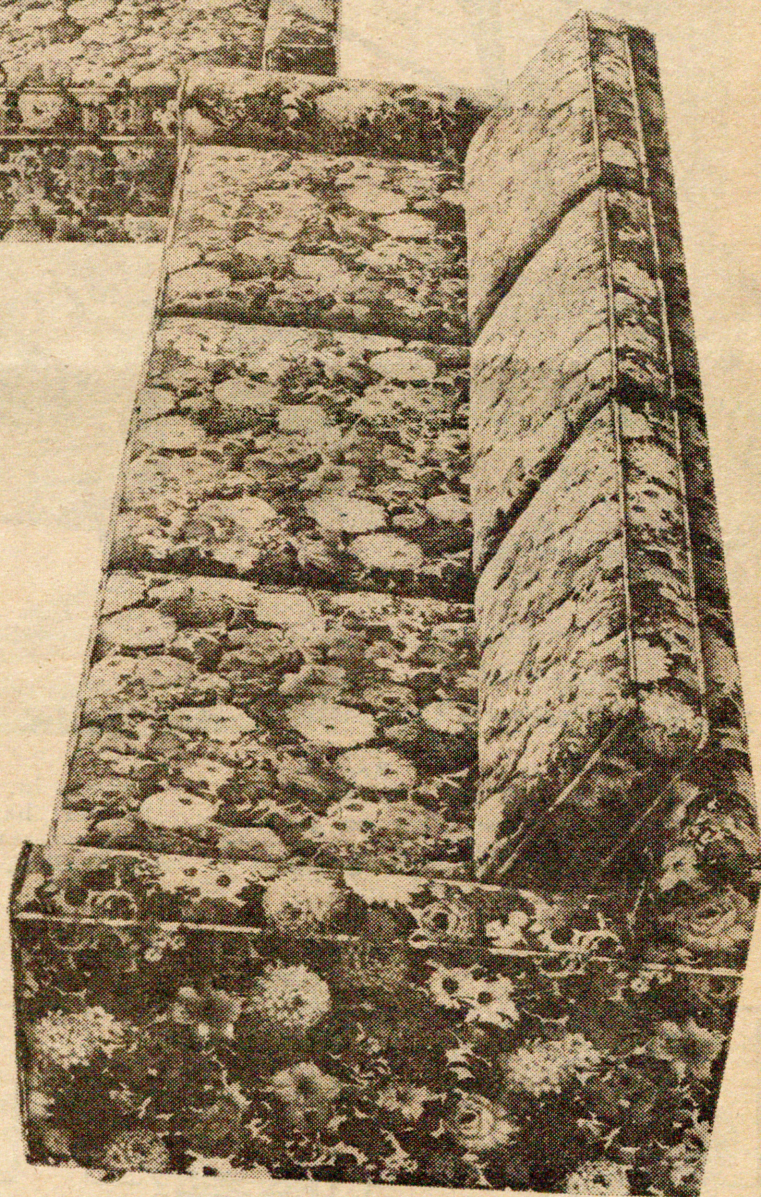

Get 8 great feet
of quilted
Kroehler sofa
for just \$199.

Sit pretty. Very pretty.

This fine sofa and love seat combine the functional lines of contemporary styling with the traditional richness of quilted luxury. Each is magnificently constructed on a coil spring base...and a great bargain. The sofa, at just \$199 now, saves you about \$100. If you'd like to sit a little closer together, the 62" love seat is yours for only \$169—saving you about \$80. A small down-payment delivers either one, and you can take two years to pay the balance. Now doesn't that feel good?
